### **Table Talk**

1. How have you seen the Hand of God TURN events, circumstances or your emotions in your life?
2. Share a time when God changed your sorrow to joy/celebration.
3. Think through the 4 lessons in Esther. What has impacted you most about this book/study?
4. Pray for each other.

### **Personal Reflection**

Have you ever done something you COULD but later realized you SHOULDN'T have? What was the outcome of that? Ask God for wisdom and discernment in times where you CAN do something, but it may not be necessary.
